HALEIWA SMALL BOAT HARBOR HALEIWA, ISLAND OF OAHU

Project Location. Haleiwa Small Boat Harbor is located on the north coast of Oahu at the head of Waialua Bay.

Authorization. The project was authorized under Section 107 of the River and Harbor Act of 1960, as amended.

Local Sponsor. The local sponsor is the State of Hawaii Department of Land and Natural Resources (DLNR), Division of Boating and Ocean Recreation.

Completed Work. The general navigation features consist of an entrance channel 740 feet long, 100 to 120 feet wide, 12 feet deep; a revetted mole 1,310 feet long; a stub breakwater 80 feet long; and a wave absorber 140 feet long. The project, which was completed in 1966, was the first joint federal-state harbor constructed on Oahu. The total project cost was \$1,777,642 (federal: \$683,177; non-federal: \$494,465), including \$240,518 for maintenance.

Present Status. A construction contract for maintenance dredging was awarded in September 1998 at a base schedule amount of \$208,100. Funds in the amount of \$162,640 were received from the State in November 1998. The federal portions of the work are complete. A contract modification for the State dredging work was awarded in February 1999. Both federal and nonfederal dredging work were completed in March 1999.
